

## **SMWA Mission Statement**

The Smoky Mountain Wedding Association is a non-profit organization comprised of member businesses for promoting the Smoky Mountains as a premier destination wedding area and our members as resources to brides and those planning events in the area. The Smoky Mountain Wedding Association is to represent the common interest of our members in the wedding industry of the Smoky Mountain area in an ethical and professional manner.

1. To foster a caring attitude and cooperative relationship and ethical spirit among the wedding industry members, the community, with clients, and with each other within the Smoky Mountain Area.
2. To offer opportunities for professional growth through education and the sharing of ideas.
3. To promote and generally advance the interests of the Smoky Mountain area wedding industry to local, city, and state governments, as well as to the general tourism business community.
4. To promote and generally advance the Smoky Mountains as a wedding destination through marketing and public relations endeavors.
5. To accumulate and process information relating to the wedding industry and to share such information with the membership.
6. To supply a united voice to encourage policies and legislation supportive of the wedding industry at all levels of government.
7. To promote good policy and sound business principles.
8. To engage in any other activity consistent with the laws of the United States, the state of Tennessee, the county of Sevier, and the bylaws of the corporation.

## **SMWA Vision**

To promote the Great Smoky Mountains as the Wedding Capital of the South, as the Smoky Mountains are one of the most popular wedding and vacation destinations in the country. The Smoky Mountain Wedding Association is a non-profit organization representing the Smoky Mountain wedding industry.

The board of directors depends upon each member to adhere to good business practices to ensure the integrity of the wedding industry. The board does not recommend or refer to any single member, but the group, nor does the board mediate disputes between members or their customers.

## **Member Responsibilities**
